

Lime Tree Primary Academy

Sports Premium 2017-18

The School Sport Premium is a Government package of funding for Primary School PE and school sport provided by the Departments of Education, Health and Culture, Media and Sport. Funding is allocated through a lump sum and a small per pupil top up and can only be spent on sport and PE provision in school. As an Academy, future payments (2014 – onwards) will be paid directly from the Education Funding Agency (EFA).

Our allocation for 2017-18 has doubled (only for this year) and is approx. £20,000.

We have agreed to invest £1,500 of the funding to the PE Development Hub at Trafford Sports Partnership that we have been a part of for many years. This investment keeps us in touch with PE and sport across Trafford and enables us to access many services and schemes e.g. CPD training, new health projects and online resources, teacher network days, local competitions, sports awards, sports coaches and special events and teacher support.

The purpose of the funding is to improve provision of PE and sport but schools have the freedom to choose how to do this. We must also ensure that high quality PE can be sustained after the funding stops. Schools will be held to account for how the funding is spent as the money can only be used for PE and School Sport.

Ofsted will ask inspectors to consider, "How well the school uses it's Sport Premium to improve the quality and breadth of it's PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of."

Plans for funding (2017-18)

- Membership of Trafford Sports Partnership to develop teacher's knowledge and continuing professional development in a variety of different aspects of Physical Education
CPD opportunities will include teachers having opportunities to develop gaps in teaching knowledge and skills in:
 - Gymnastics
 - Inclusive PE for SEND children
 - Observing Trafford specialised PE teachers teach
 - What to look for when observing other lessons
 - Subject leader development
 - Teaching Physical Literacy

- Development of the 'PE team' to widen knowledge and skills in key stages – sending on CPD and using as models for good practice
- Ensuring that all children can access Physical Education by providing children who need one with an appropriate PE kit
- Providing opportunities for children in Foundation Stage to develop core strength, muscle building exercises
- Using external providers to provide CPD to class teachers for gap in skills and knowledge for alternative sports and give opportunities for children to explore and learn these
Lacrosse coaching booked in after the October break x6 sessions per class
- Using external providers to provide CPD to class teachers for gap in skills and knowledge for gymnastics
Due to start with Year 5 x6 sessions after the half term October break
- Developing 'Play Ground Leaders' in Years 5 and 6 using accredited training providers to enable a sustained ability to continue to ensure all children can have access to coaching at school during lunchtimes and break times. This will also provide opportunities for the Play Ground Leaders to develop vital leadership and life skills
- Development of Healthy Lifestyles and Healthy Mind connection in PSHE sessions
- Providing children with a wealth of different sports to try that they may not have come across before, for example, lacrosse and skateboarding, from different external providers e.g. Brooklands Sports Club, Projekt Manchester
- Integrating sport with the outdoor team and forest schools – including aspects of orienteering which all children can benefit from (using all school ground for sports and physical activity)
Orienteering scheme of work purchased and is being used within enrichment sessions
- Sports coaching during lunchtimes undertaken by Shooting Stars Sports Coaching for all children (Key stage 1 and 2). This includes football, multi skills, basketball, hockey, tag rugby, rounders, dodgeball, hand ball
- Sports Equipment for PE provision to be used by all children
Basketballs, footballs, netballs full sets and pumps
- After School Sports including Dance and Gymnastics coaching – accessible to all (Sports premium funded places will be available)
- Development of knowledge for teachers from Association for PE regarding safe handling of equipment and health and safety rules/guidance
