

Pupil Premium Strategy Statement

From September 2016, as well as publishing the amount of their allocation from the pupil premium grant, schools are required to publish their pupil premium strategy online, detailing how they intend to spend their allocation to address barriers to learning and the rationale behind the school's decisions. A template has been created to support all schools in developing and presenting their strategy [Teaching School Council website](#).

3. Barriers to Future Attainment (for pupils eligible for PP)

In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>	
A.	Significant minority of Nursery children with low starting points compared to peers
B.	High social and emotional needs
C.	
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>	
D.	Parental engagement

4. Outcomes <i>(Desired outcomes and how they will be measured)</i>		Success criteria
A.	EYFSP	Attaining Good Level of Development
B.	Y1 Phonics Screening	Attaining threshold
C.	KS1 SATs	Attaining EXS
D.	KS2 SATs	Attaining EXS & Making Expected Progress

5. Planned Expenditure

Total budgeted cost					£ 170, 500
6. Review of expenditure					
Previous Academic Year					
i. Quality of teaching for all					
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost	

<p>The provision of teaching assistants to secure high quality classroom teaching and progress in learning (N –Y6)</p>	<p>The effective deployment of classroom staff is critical in ensuring that every child reaches their full potential</p>	<p>Planning and teaching demonstrates high levels of pupil engagement, creating maximum impact on pupil progress. It was evident continuous interaction takes place between class teachers and TA's throughout lessons as well as pre and post lessons for input and feedback, flexibility around the pupils need was evident. TA's demonstrated that they fully understood their role in supporting teaching and learning and know how their input can contribute to better outcomes for pupils. This also reduces the pupil-teacher ratio in the classroom.</p>	<p>Continued professional development of TA's to ensure they are continually improving their practise, with reduced numbers of TA's this year, we must ensure highest possible impact on progress. Training will be in house, to support the reduced budget and will centre around sharing good practise with HLTA's supporting with delivering this.</p>	
<p>The provision of support linked to social and emotional development through a pastoral and well being team</p>	<p>To support with additional needs to ensure the children are ready to access learning to their maximum capability. Priority given to attachment and emotional well being</p>	<p>Training and involvement in emotion coaching and a Place 2 Be, has had a huge impact across school in terms of supporting children with recognition their mental health and emotional well being and with developing their emotional literacy. We have seen an increase in self esteem in many vulnerable children, resilience has been developed further. A significant decrease in poor behaviour particularly at break and lunchtimes has been observed and more importantly when there has been issues, older children have been able to start to work together to put things right and recognise where it went wrong.</p>	<p>We will be working in house with all staff on further developing the well being construct. With the pastoral team giving specific individual and small group intense support where needed.</p>	
<p>ii. Targeted support</p>				
<p>Desired outcome</p>	<p>Chosen action/approach</p>	<p>Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.</p>	<p>Lessons learned (and whether you will continue with this approach)</p>	<p>Cost</p>

<p>To deliver bespoke support for directed individuals to secure age related expectations in KS1 and KS2</p>	<p>The pupil premium lead meets with each Pupil Premium child, once each half term, to review academic progress in Reading, Writing and Mathematics as well as the extended curriculum.</p>	<p>All class teachers knew their PP children and ensured classroom strategies and extra support is given where necessary. Data shows all PP children made progress over the year. With different bespoke support given for different subjects, individual to their needs.</p>	<p>The PP lead will lead staff development meetings, share good practise with the whole school Teachers and TA's to ensure maximum progress for the PP children, there will be a focus on further enhanced links with parents to support learning at home to impact on progress.</p>	
<p>Provision and access to a wider curriculum – Forest School</p>	<p>To provide a range of experiences for all pupils to ensure participation and enjoyment both within school and the wider community</p>	<p>The impact on learning and progress seen by the children who regularly attend Forest School is huge. Children's confidence and self esteem is raised and is visible in the classroom. Forest School helps the children to develop a voice and they become confident when working collaboratively and are no longer afraid to take risks and get things wrong.</p>	<p>This will continue with less staff, due to budget restrictions. However the quality experiences will be developed for all children, suing more staff in house who have taken Forest School training and will deliver during the normal curriculum.</p>	
<p>iii. Other approaches</p>				
<p>Desired outcomes</p>	<p>Chosen action/approach</p>	<p>Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.</p>	<p>Lessons learned (and whether you will continue with this approach)</p>	<p>Cost</p>

<p>Breakfast club and free PE kit/ first uniform</p> <p>After school activities and holiday club activities</p>	<p>All pupils eligible for PP are entitled to a free breakfast club space, this involves a healthy start to the day and fun learning activities.</p>	<p>This has had a huge impact on some families and children. The breakfast club has supported some children, who would otherwise usually be late and miss some learning time as well as arriving to school without being fed, being hungry and therefore not ready to learn.</p> <p>Children that have taken part in after school and holiday club have had their confidence and self esteem raised, they have become more sociable and able to work collaboratively in school.</p>	<p>We would like to develop this further by getting more parents on board with this through building relationships with our pastoral team and Treehouse manager.</p>
