

Parent Forum Meeting Record

Date of Meeting	27.01.2020
Presented By	Clare Larkin Head Teacher
Learning Walk Senior leadership led a learning walk around the school split up into 3 groups, EYFS, KS1, KS2, some were led by our head and deputy boy and girl, who did an amazing job answering questions. Parents were shown around classes to see what would normally happen on a Monday morning, they saw lots of play and language in EYFS. Environments were clear to see and were stimulating and engaging to the children. Children were really enjoying their phonics session. In KS1 parents saw phonics and children getting very excited over their new writing stimulus, parents even saw Mrs Kenny attempting to make a jam sandwich! KS2 have mindful Mondays, across the pavilions children accessed meditation, reading, mindful coloring and a calming go noodle. There was lots of positive feedback from parents, they praised the ambassadors highly, and gave comments including; <ul style="list-style-type: none">• the school caters for all, no one size fits all;• the children all look happy and engaged;• great tour guides, all very knowledgeable;• loved the different handwriting activities taking place in Year 2;• calm and mindful start to the week around the KS 2 classrooms;• there is obviously a great deal of unseen work taking place for everything to appear so smooth.• it was great to see the children learning to self-regulate their emotions, and the children showing us around were very informative and obviously very proud of their school. Thank you to all parents and governors who attended and.
