Year 6L

Curriculum Newsletter Autumn 1

Dear parents and carers,

Please find below an outline of Year 6L's curriculum for this half term. If you have any questions regarding the curriculum this half term then please speak to one of the team.

<p><u>History</u></p> <p>This half term we will be engaging in a leap across time to investigate crime, law and the use of punishment across the ages.</p> 	<p><u>English</u></p> <p>This half term, we will be using our imagination to enter The Nowhere Emporium. By delving into the depths of this fantasy genre we will discover how to write creatively without the restrictions of realism.</p> 	<p><u>Maths</u></p> <p>We will begin by consolidating our previous knowledge with a focus on number and place value. We will:</p> <ul style="list-style-type: none"> • Read and write large numbers • Order and compare numbers up to 10,000,000. • Round whole numbers to 10,000,000 to a required degree of accuracy. • Solve number problems and practical problems with number and place value.
<p><u>Philosophy</u></p> <p>In Philosophy, we will be contributing our own ideas and opinions in appropriate ways, relating to different stimuli.</p> 	<p><u>Religious Education</u></p> <p>During R.E, we will be celebrating and investigating the religion of Islam, answering questions such as: What are the key symbols of Islam? What are the holy objects in Islam and what do they represent?</p> 	<p><u>Physical Education</u></p> <p>This half term we will be building upon our racket handling skills using Tennis as a basis. We will also learn how to play doubles matches, working to coordinate our teamwork skills in pairs.</p> 

<p><u>Computing</u></p> <p>Computing will enhance our other subject areas this term. We will use Apps and programs to present findings, learning when technology can achieve a better outcome. We will also develop our searching skills, understanding how to be an effective researcher. Alongside all of this, we will discuss the importance of e-Safety.</p>	<p><u>Science</u></p> <p>We will build on our understanding of living things and their habitats, before moving on to look at evolution and inheritance.</p> 	<p><u>Art / Design Technology</u></p> <p>We will be taking inspiration from the artist Loui Jover this half term. By studying the work of Jover, we will create pieces of art that will combine both painting and collage. Within our work, we will focus on the use of texture, line and tone.</p> 
<p><u>French</u></p> <p>This half term, we will be recapping our knowledge of numbers to one hundred as well as learning the vocabulary for subjects and hobbies.</p> 	<p><u>PSHE/TTT</u></p> <p>In PSHE/TTT each week the children discuss current news events and PSHE topics such as healthy eating, dealing with difficult situations and aspirations and dreams amongst many. In order to develop children's thinking and questioning skills, children will also continue to have Philosophy sessions. This has proved very beneficial and has developed the children's ability to work in groups and value other people's opinions and views.</p>	<p><u>Enrichment</u></p> <p>In Enrichment, pupils generate patterns for creative proficiency, build good character, initiate an engaged mode for learning, and find purpose and interest in foundation subjects such as Food Technology, Art, Drama, Expressive Arts and Earth Adventures.</p> 

Reminders:

- Home learning can be accessed via the blog each Monday.
- Spellings will be shared on the blog and with the children each week. There will be a spelling test every Friday. Please support your child by practicing their spellings with them.
- PE kits are needed in school. Year 6 will be having their PE lessons on a Friday, however there will be plenty of other occasions for sport throughout the week.
- Wellies are to be in school at all times so that children have access to the full curriculum. Please could you ensure your child has a pair of wellies in school by **September 16th**
- At the moment, we would like children to leave their reading books and diaries in school.
- Each term we request parents make a £5 donation towards School Fund. This contribution helps to fund some of the additional experiences we offer your child within school. This can be paid directly through your Parent Pay account and we appreciate any donations received.

Thank you for your continued support,

Mrs Slack and Miss Evans
